Mayor's Message

Welcome to the Autumn 2023 edition of Look East

Welcome to the Autumn edition of Look East.

April is the ideal month for getting out and about and with the football season well under way, all eyes will be on Adelaide's Premier Main Street, The Parade, when the Festival of Footy comes to Norwood Oval next weekend.

For the past three months, the excitement has been building for the 2023 AFL Gather Round, with two matches in three days: Fremantle v Gold Coast Suns on Friday, 14 April and Greater Western Sydney v Hawthorn on Sunday 16 April.

The Council has been working closely with the AFL, SANFL and the Norwood Football Club, to help ensure spectators planning to attend these matches, as well as fans who want to soak up the atmosphere on The Parade have a memorable match day experience. To find out more about Gather Round activities see Pages 3–5.

With live entertainment, kids activities, food stalls, and amazing offers for footy fans, the precinct will be buzzing and our City's businesses will be on show to locals, interstate and even international visitors.

A number of traders are capitalising on this rare opportunity as thousands of footy fans and their friends and families flock to our City.

The City of Norwood Payneham & St Peters is also offering the chance for 10 lucky footy fans to win a double pass to either the Friday night match or the Sunday afternoon spectacular.

Importantly, April is also the month our nation comes together to commemorate those who made the ultimate sacrifice in the First World War with the ANZAC Day Dawn Service on 25 April.

I encourage you all to attend a Dawn Service, either in our City or elsewhere, and pay your respects to our fallen Servicemen and Servicewomen who gave up their tomorrows so we can live today. Lest We Forget.

Tour Down Under Stage 3 Start on The Parade

Peloton of colour on The Parade

Our City welcomes back the TDU

The City of Norwood Payneham & St Peters' 2023 events calendar launched into gear with one of the most elite sporting events in the nation, the Tour Down Under.

On Friday, January 20, The Parade was abuzz with energy and colour when thousands of spectators descended on Adelaide's Premier Main Street, to soak up the adrenalin and atmosphere of the internationally recognised event.

Stage 3 was not only an important event for cycling lovers, but it also provided a boost to the local economy, while shining a national and international spotlight on Adelaide's East.

The peloton left The Parade at 11.30am and headed east to climb Norton Summit, Checkers Hill and Corkscrew Road before finishing in Campbelltown.

It was Spanish rider, Pello Bilbao's, super cool downhill bike handling skills which resulted in his debut Santos Tour Down Under stage win.

Speaking on the stage, Bilbao said: "We really came in a good mood to this race."

As far as the Council can tell, we think Bilbao speaks on everyone's behalf!

Did you know?

First held in 1999, the Santos Tour Down Under is the biggest cycling race in the southern hemisphere.

This 10-day event brings both male and female UCI WorldTour professional cycling teams to race on the streets of Adelaide and regional South Australia each January.

Up for grabs are important UCI points and the Santos Ochre Leader's Jersey.

In 2008 the Santos Tour Down Under became the first race outside of Europe to receive prestigious UCI WorldTour status to guarantee the world's best elite teams would make their way to Adelaide.

AFL on Adelaide's Premier Main Street

Gather Round to attract thousands to Norwood Oval

Interstate AFL rivals will go head-to-head at Norwood Oval as thousands enjoy the excitement of the inaugural Festival of Footy right here in our City.

The City of Norwood Payneham & St Peters is just one of two Councils located outside of the Adelaide CBD to host matches as part of the Gather Round.

The two games, which are expected to attract thousands of local and interstate fans with Gold Coast taking on Fremantle on Friday 14 April and Greater Western Sydney up against Hawthorn, on Sunday 16 April.

South Australians love football and these games will be hugely popular and that is why the City of Norwood Payneham & St Peters has been working with the AFL and the State Government to deliver an action-packed weekend.

In addition to the obvious benefits of having AFL football played at the Oval, the Council also sees the significant cultural and economic benefits of hosting the Gather Round.

Football is an integral part of our community and having such a successful club in Norwood with 145 years of history and its home ground right on The Parade, means there is an opportunity to promote the Club and the City of Norwood Payneham & St Peters.

The Council's ongoing investments are part of the longer-term strategy of upgrades at Norwood Oval and will benefit football and the City fans all year round.

The recent installation of a large electronic scoreboard, LED ribbon lighting around the fence and new lighting made Norwood Oval an obvious choice for the AFL.

This has been an unprecedented experience for the Council but it has risen to the challenge, and engaged the local business community which has enthusiastically jumped on board, and the Council is here to help South Australia deliver the greatest show on turf.

Council's Works Co-ordinator Aaron Cook with residents Hannah & Otis Neild

Beyond the call of duty

Freak storm event wreaks havoc

Aaron Cook is no stranger to helping out the community during dangerous and freak weather events.

The Council's Co-ordinator, Tree Services, has taken part in emergency rescues before, including the devastating Pinery bushfires in the State's Lower Mid North in late 2015.

But it was the unexpected storm event which hit our City on Saturday 12 November last year that had the biggest impact on Aaron.

Aaron was not scheduled to work but dutifully answered a call to assist his Depot colleagues, Luke Hogno, Doug Jewell and Gavin Morris.

"About 30 trees had fallen on power lines. It was back breaking work, and the wind didn't dip below 50km/h." Aaron said

"We worked from 11.30am to midnight alongside State's Emergency Service Crews. Residents were so grateful, with many people coming out into their driveways to offer us drinks."

Aaron said Henry St, Stepney, was severely impacted, with a huge tree branch covering the driveway of many homes including that of the Neild family.

Hannah Neild, was inside her home with baby Otis, who was

4 months old at the time.

"The sound that night was insane – like the tornado from the Wizard of Oz and I was panicking." Hannah said.

When Aaron called past Henry Street recently to check in on Hannah and Otis, Hannah described "her extreme relief" when Aaron cleared her driveway on that frightening night, providing access for her, Otis and her family to leave their house if necessary.

Chris McDermott, Manager, said Aaron faced the challenge head on by managing all of the incoming

calls and prioritising what work needed to be done.

"Without his expertise and experience, a lot of residents would have had to wait for much longer before they received the help they needed. To say he went beyond the call of duty is an understatement."

Reflecting on the epic events of his shift, Aaron said "One of the key things to do is to stay calm and collected and focussed on the important things – such as power lines and how dangerous they can be if they have been brought down."

"It was definitely one of the most rewarding days of my life in terms of helping the community."

Rosanna Busolin at Caffè Buongiorno on The Parade

Andrew Dyson, Mayor Bria & John Legg

Meet our Staff

Rosanna Busolin, Manager, Community Care Services

It takes a unique set of personal and professional qualities to work with older citizens who usually have a range of complex needs.

For Rosanna Busolin, Manager Community Care Services, this is one of the key reasons she enjoys her role so much at the City of Norwood Payneham & St Peters.

Rosanna, who has been with the Council for 16 years, cheerfully says: "Time flies when you are having fun."

Rosanna manages four staff who she describes as an "excellent team".

Together they have oversight of programs to assist about 840 residents in our City, including providing domestic assistance, personal care, home maintenance and modifications, shopping transport social and other well-being programs.

The team also deliver a Community Visitors Scheme for older people in aged care facilities.

"My role requires patience, understanding and empathy. ... but I love working with older people, it is very rewarding."

It is common knowledge that navigating the ever-changing aged care sector, which is mainly funded by the Federal Government, can be perplexing. Rosanna credits her formal education for providing her with the breadth of knowledge for the demanding role.

She has a Bachelor of Arts, Diploma of Applied Psychology and Master of Business Administration (MBA), which took a gruelling six years to complete, while working full time.

Rosanna says her career highlight was being promoted to her current role.

"The promotion to Community Care Services Manager was a great achievement and a goal that I had been working towards for my professional growth and fulfillment." she said.

Outside of work, Rosanna's passion is travel.

"Italy is where my heart is. I have relatives over there and I love the north – Venice, Milan and Verona."

Rosanna and her team continue to juggle the demands and needs of some of the community's most vulnerable people, while ensuring there is a diverse range of social and recreational programs, and importantly enough Volunteers to assist deliver programs.

On 26 January 2023, Mayor Robert Bria welcomed 32 new citizens to the City of Norwood Payneham & St Peters as part of the traditional Australia Day Ceremony at St Peters Banquet Hall. The Mayor also presented the Australia Day Awards to:

Active Citizenship

Andrew Dyson

Andrew Dyson has been a dedicated member of the Kensington Residents Association since 1978, having joined one year after the Association was formed.

Since that time, Mr Dyson has attended every KRA meeting, social event and working bee, putting in maximum effort to ensure it has been a success.

In awarding Mr Dyson with the 2023 Active Citizenship of the Year Award, Mayor Bria said he was a worthy recipient and the Council thanked him for the lengthy and loyal contribution to our City.

Mr Dyson's passion is undiminished after decades spent advocating for the protection of natural and built heritage, locally in Kensington and further afield in South Australia.

Citizen of the Year

John Legg

John Legg moved to Kensington in 2005 and rapidly recognised an opportunity in Borthwick Park to increase biodiversity, amenity and a sense of community.

He became the driving force behind the Borthwick Park Biodiversity Project and since 2009 has liaised between Volunteers, the Kensington Residents Association, the Council and Green Adelaide.

His enthusiasm for arranging logistics for work undertaken in Borthwick Park and communicating effectively with all stakeholders including local and state government representatives remains undiminished after 12 years of dedicated effort.

Congratulations to Mr Dyson and Mr Legg from everyone at the City of Norwood Payneham & St Peters!

Do you know someone who makes a real difference in our community?

Celebrate their contributions and achievements by nominating them for a 2024 Citizen of the Year Award. **Nominations close 18 November 2023.** Winners announced 26 January 2024. For more information and to submit your nominations, visit www.citizenoftheyear.com.au

Your Next Cup Of Coffee Could Help Save A Life

This is the story of how two business leaders in the City of Norwood Payneham & St Peters came together to help raise awareness about Australia's second deadliest cancer.

Artist Tiff Manuell, Nick Lee from the Jodi Lee Foundation and Emilia Pirone from Rio Coffee

Renowned local artist Tiff Manuel and Stepney coffee business Rio Coffee, have joined forces for a unique collaboration that's stirring up more than just coffee. Their goal is to raise awareness for the Jodi Lee Foundation.

When mother of two Jodi Lee passed away at the age of 40, it left an unfillable vacuum in her family. But what makes her story even more tragic, is it could so easily have had a different ending.

99 per cent of bowel cancer cases can be treated or even prevented if detected early.

"Bowel cancer has such a stigma and most people don't want to talk about it, so there are hardly any avenues to bring it up in normal conversation," the Foundation's Community Engagement Manager, Samantha Brinsley, said.

Samantha sat down with Emilia Pirone of Rio Coffee and together the pair devised a more subtle way to start the conversation.

"We wanted to support the Jodi Lee Foundation in any way we could because it's a great cause," Emilia said.

"And since purchasing a coffee is a huge part of many Australians' days, we landed on the idea of using coffee cups as a way of sharing their message by literally getting into the hands of a large audience."

Together, they decided to commission a local artist to create a series of limited edition coffee cups that would serve two purposes.

The disposable (but fully compostable) cups could be sold to cafes as a fundraiser, but they would also include a QR code linking to the Foundation's website where customers could get more information on the warning signs of bowel cancer.

And before the conversation was even over, they knew which artist they wanted to work with. "Tiff Manuel was the obvious choice," says Brinsley. "I love that she's South Australian, her work is really eye-catching and her artworks often contain a story."

Manuel's striking expressionistic paintings are usually full of movement and colour, and the work she created for this special collaboration is no exception.

Before picking up her tools, she asked the people who knew Jodi Lee what she was like as a person and then created "a bird's eye view of landscapes that evoke memories of places, moments in time and special things that are close to the heart of Jodi Lee's journey."

The finished artwork will be raffled off by the Jodi Lee Foundation and Tiff Manuel describes the process of creating it in her King Street, Norwood studio as "a true pleasure," adding that "building stories and messages that have meaning to those at the forefront of this foundation and all that it stands for was pivotal in the process."

The flamboyant special edition cups are available until the end of June (which is also Bowel Cancer Awareness Month) at a range of businesses throughout the Council.

So far these include 30 Acres, Pave and 33 Chapel in Norwood, FIX. Specialty Coffee in College Park, G + Gracin and Rustic Gourmet in Kent Town and Saha 303 in Maylands.

For the entire month of April, customers can also visit Rio's showroom at 22 Nelson Street, Stepney and get a cup of takeaway coffee in return for a gold coin donation to the Jodi Lee Foundation.

More than half of the initial run of 100,000 8oz and 12oz cups were snapped up in the first week of pre-sales, but any cafes or businesses interested in stocking them can do so by calling 8362 3376 or emailing telesales@riocoffee.com.au.

NPSP continues to boost and support the local economy

The City of Norwood Payneham & St Peters is home to more than 7000 businesses creating more than 24,300 jobs across our City. The Council works tirelessly to ensure that businesses in our City receive the support they need in a timely manner in order to deliver real and tangible results.

Norwood Parade Precinct Committee welcomes members

The Council has recently added eight talented and independent members, who will join forces with Mayor Robert Bria and four Councillors to support The Parade's thriving business community.

This new committee was appointed during the Council's February 2023 meeting and includes accomplished professionals from a range of sectors, bringing a wealth of expertise and experience to the Committee.

Among the new members are; Brigitte Zonta from Sanare Wellness, Hannah Waterson from Ooh La La Lash Boutique, Michael Zito from Mayhem Collectables, Rik Fisher from 30 Acres and William Swale from ortc Clothing Co. They join Joshua Baldwin from Munro Property Group, Mario Boscaini from Parade Central Complex and Tom McClure from Grill'd Norwood.

Additionally, recently elected Councillors Victoria McFarlane and Josh Robinson have also been appointed, joining re-elected Councillors John Callisto, Sue Whittington and Mayor Bria, who serves as the Presiding Member.

Together, the Committee plays a vital role in supporting, educating, and facilitating a vibrant and dynamic business community.

By leveraging their diverse expertise and collaborating closely with the Council's Economic Development Team, the NPPC is poised to deliver significant benefits to the local business community and the broader Norwood Payneham & St Peters region.

NPSP's Labour Force Report

The Labour Force Report is an essential tool for anyone interested in understanding the performance of the City of Norwood Payneham & St Peters' economy.

Updated quarterly, this report offers an in-depth analysis of the region's labour market, with a particular focus on tracking the number of employed and unemployed residents.

By tracking key performance indicators such as workforce participation rates, employment growth, and industry-specific trends, the report provides a comprehensive and nuanced perspective on the state of the local economy.

With its wealth of data, insightful analysis, and actionable insights, it's an essential tool for anyone looking to stay ahead of the curve in today's fast-paced economic landscape.

If you're curious about the latest developments in the City of Norwood Payneham & St Peters, be sure to check out the summary [click here](#).

2023 Eastside Business Awards

In addition to a record number of votes, the 2023 Eastside Business Awards has also generated a dynamic list of finalists.

The list of finalists is considered the most diverse in the six-year history of the Awards.

The Awards—which are a partnership between City of Norwood Payneham & St Peters and Solstice Media—celebrate a range of categories including: Best Arts & Cultural / Entertainment Experience, Best Café / Restaurant, Best Coffee, Best Customer Experience, Best Fashion Retailer, Best Food / Beverage Manufacturer, Best Hair / Beauty Salon, Best Independent Small Business, Best Professional Service, Best Pub / Bar.

Those crowned the best of the east will win a \$1,000 advertising package

with Solstice Media and a choice of business advisory service (business planning, budget and forecasting or bookkeeping training) to the value of \$1,000 with AFM Services.

The winners—including the prestigious Hall of Fame Award for a business that has been operating in the area for more than 20 years, will be announced at an Awards Ceremony on 19 April at the St Peters Banquet Hall.

The Parade Gift Card

To encourage more visitors to explore Adelaide's Premier Main Street, the Council is taking steps to support local businesses and promote The Parade Gift Card.

This Gift Card can be used at any establishment within The Parade Precinct, providing a convenient and hassle-free shopping experience.

Here's how it works: simply make your way to Norwood Town Hall, where you can purchase the Gift Card and select the amount you wish to load onto it.

Once you've made your purchase, you can start using your Card at any participating business within the Parade Precinct.

Plus, you can easily check your Card's balance and review the full terms and conditions at any time.

If you're looking for a great way to discover everything that Adelaide's Premier Main Street has to offer, be sure to grab a Parade Gift Card today!

Around the City

Updates from the Council and a look at what's happening in and around your local area.

Each of the projects carried out by the Council works towards the four outcomes of its Strategic Management Plan, *CityPlan 2030: Shaping Our Future*. Together reaching these outcomes helps to achieve the Council's overall goal of Community Well-being.

-  **Social Equity**
-  **Cultural Vitality**
-  **Economic Prosperity**
-  **Environmental Sustainability**

For watt it's worth

The City of Norwood Payneham & St Peters has taken another step towards reducing carbon emissions and promoting eco-friendly transportation by installing six new Electric Vehicle (EV) Charging Stations.

These charging stations have been strategically placed in different locations throughout the City in collaboration with JOLT and Evie, making it convenient for EV owners to charge their vehicles.

The charging stations are located at

- The Webbe Street Car Park;
- Osmond Terrace, Norwood on-street parking;
- Linde Reserve/Dunstone Grove Carpark (Nelson St);
- Borthwick Reserve, Portrush/Payneham Road;

- Payneham Community Centre, Payneham Road; and
- Glynde Corner Car Park.

The EV charging stations have been designed as fast chargers that can effectively charge all kinds of EVs, providing a convenient and efficient charging experience for EV owners.

The Council plans to expand the charging network by installing a total of 16 stations by 2038. With this forward-thinking initiative, our City is leading the charge towards a greener and more sustainable future, while providing residents with convenient and eco-friendly transportation options.

St Morris Reserve Community Consultation

After receiving more than 150 submissions from our community and hosting two Community Information Sessions, the Council has endorsed an updated St Morris Reserve Concept Plan to better reflect the community's expectations.

The Final Concept includes:

- retention of a fence;
- a new playground;
- an external gate to provide access to the playground without the need to enter the Reserve – this will also help alleviate concerns about dogs near the playground;
- a multi-purpose court (which was requested by 67.7 per cent of survey respondents)
- an accessible toilet

- toilet, picnic tables, shade, additional trees;
- barbeques; and
- bollard lighting.

Beyond the Bleachers

The tradition of football is kicking on our City, well after the Gather Round has left town.

The Council's Cultural Heritage Centre is hosting Beyond the Bleachers, a look into the history of the Norwood Football Club.

Whether you are a footy fanatic or history buff, Beyond the Bleachers is the ideal opportunity for a small glimpse of the Club's coveted treasure trove of memorabilia and learn more about the men and women who helped shape the Club's history, dating back to 1878.

From heritage guernseys, photographs to trophies, the exhibition features a remarkable collection of memorabilia showcasing the Redlegs' triumphs, struggles and enduring legacy.

The Cultural Heritage Centre is located at 101 Payneham Road, St Peters.

To coincide with the Gather Round Beyond the Bleachers will be open from the 14 April to 30 May.

Payneham Memorial Swimming Centre Update

The Council understands that the Payneham Memorial Swimming Centre is a much-loved community facility.

It opened in the 1967–68 swimming season and is no longer suitable or safe. This is mainly due to significant leaks and problems with its infrastructure.

For these reasons, the Council made the decision to invest in a new facility.

As with any new buildings in this current global climate (with construction materials in high demand, labor shortages and inflation), there have been delays in the building process.

Unfortunately, the size and complexity of the new Centre, means these delays have been longer than expected.

The proposed redevelopment is complex and it is going to take some time to deliver.

Importantly, the Council wants best value for money for ratepayers and the community, while ensuring that it delivers a facility that lasts for decades.

A full design team consisting of architects and engineers has been engaged during the past year and undertaken a considerable amount of design work.

The following outcomes have been achieved to date:

- 95% completion of detailed design and documentation;
- Planning approval and;
- Five local building companies have been selected to tender for the works.

It is the Council's intention to tender the building works package by mid 2023. Based on this timeframe, it is anticipated that a contractor will be appointed and ready to commence construction in September this year.

The Council appreciates the community's understanding and patience while the Payneham Memorial Swimming Centre is closed for redevelopment.

The Payneham Memorial Swimming Centre Upgrade will include:

- an 8 lane, 25 metre indoor lap pool;
- an 11 x 20 metre indoor learner's pool;
- a 10 lane, 50 metre outdoor pool;
- a 14 metre tall tower with two waterslides;
- a zero-depth waterplay area;
- multiple male, female and unisex all-access changerooms with showers, toilets and lockers;
- multipurpose meeting rooms; and
- shade shelters, picnic seating and barbecues.

Each pool will have an all-access entry via ramp or lift. Aquatic wheelchairs will be available for public use.
